

RUST REMOVER

AN EFFECTIVE, NON-CORROSIVE RUST STAIN REMOVER FOR HARD LANDSCAPING PRODUCTS

PRODUCT DESCRIPTION

Rust Remover is a high performance non-acidic non-caustic formulation. Removes surface rust stains left by standing metal objects and lawn fertilisers from the surface of paving. Particularly suited for delicate applications such as marble and limestone. Acts directly onto the surface to be treated, removing stains in just 15 minutes. Ideal for porcelain, sandstone, limestone, slate, granite, brick, terracotta, and concrete paving.

BENEFITS

- Pulls out rust penetration from the affected surface
- Does not alter or harm the landscaped surface
- Easy to use
- Water Soluble
- Powerful and effective

DIRECTIONS FOR USE

Always test a small inconspicuous area before proceeding to ensure the finished result is satisfactory. Preparation: Ensure surface to be treated is completely free from dust and dirt before application. If necessary, first wash area with Pavetuf Deep Cleaner diluted 1:10 with water. Application: SHAKE WELL BEFORE USE. Do not dilute. Completely cover the rust stain with the product. Leave to act for 15 minutes. The product colour will change to a deep purple as it reacts with the rust. Once the indicated time has elapsed, scrub the area with a deck brush or nylon scrubbing pad and extract the residue using a sponge. Thoroughly rinse with plenty of water and leave to dry. Repeat application until the stain is completely removed.

COVERAGE

1 Litre = 5m² (54ft²)

STORAGE INFORMATION

Opened containers use within 6 months

KEEP UPRIGHT in a cool dry place. Shelf life up to 2 years if stored in the original unopened container at 5°C - 25°C (41°F - 77°F)

CLEANING EQUIPMENT

Clean tools and equipment immediately after use with water.

RECOMMENDATIONS

Do not apply if rain is expected, when its frosty, or when the surface is <5°C and >25°C (<41°F and >77°F). Please be aware darker colours will have a considerably higher surface temperature in warmer weather conditions. Do not dilute or mix with any other product.

ADDITIONAL INFORMATION

Some purpling of the stain may remain after rinsing. This indicates that the product is continuing to work and will gradually fade and disappear in the days that follow.
